Dear Crystal,

On behalf of the Children's Cottage Society, it is with immense gratitude and heartfelt appreciation that we acknowledge Accredited Condominium Management as a valued member of our Circle of Hope!

Your remarkable generosity in contributing \$10,000 or more places you at the forefront of our mission to build strong children and safe, nurturing families through prevention and early intervention programs and support services.

As a Circle of Hope member, you have a direct impact on our programming and operations, enabling us to provide essential care and support for children and families facing difficult circumstances. Your generous support demonstrates your belief that every child deserves a safe and nurturing childhood.

With your permission, you will become a registered member of our Society, recognized on our website, on our donor wall, in our report to the community, and at select events.

Please know how much your support means to us, and that together, we are providing better, healthier outcomes for Calgary and area children and families.

To confirm your approval of the proposed recognition outlined above, kindly email Nadine McClure at nmclure@childrenscottage.ab.ca.

Once again, welcome to the Circle of Hope!

Warmest regards,
